Since its inception in 1992, CEMS-Global, in this span of over 21 years has made a commendable presence in South & South-East Asia as a Multinational Exhibition Organizer with operations in 8 countries & organizing over 37 exhibitions in 5 countries per annum on all important sectors of the trade and economy.

'8th Dhaka Motor Show 2013' was a glittering showcase of the Bangladeshi & World Automobile and auto-component industry. It revealed to the country, the rapid developments in the industry and also been a launching-pad for many new vehicles as well as new technology components. Renowned and leading Car / Motorcycle distributors & dealers along with Banks, Lubricant Companies, CNG Conversion Companies and Automotive Component Manufacturers & Importers from Bangladesh and abroad were showcasing their products in over 350 booths. CEMS-Global has received a huge response from the exhibitors for the motor show and has seen a good increase in number of participants compared to last year.

The automobile market of Bangladesh is growing every year with new cars, motorcycles and commercial vehicles coming on the road each day and along with this expansion, there is also a need for growth in the Automobile Component & Accessories arena to meet the demands of the vehicles on the road. The aim of the show is to provide a perfect platform for the Automotive Industry of Bangladesh to aware the consumers of the new products are being offered to them as well as enhance trade in the Automotive Components sector.
